

Clean water for individual autoclaves

Planmeca Patrol™ by BWT

Planmeca Patrol™ 5 and 10 filters by BWT are water filter systems designed for all types of autoclaves. They ensure very low water conductivity and keep unwanted particles away from autoclaves.

80% of technical issues in autoclaves can be attributed to poor water quality. Filtered water will help to ensure trouble-free operation of your autoclaves.

The **Planmeca Patrol™ by BWT** filters require very little space and can be replaced without tools. The difference between the two sizes is their capacity between filter change. The larger the filter, the fewer filter changes.

PLANMECA PATROL 5 & 10

Water Filtration for Autoclaves By BWT

- 5 step filter which ensures that the conductivity is very low
- Remove silicon / silica
- Food grade approved disposable filter and filter head
- The filter head has a legally required check valve integrated in it
- Contains NO silver ions

Planmeca Patrol™ by BWT

Water Filtration for Autoclaves 5 & 10.

TECHNICAL DATA

Size	Planmeca Patrol™ 5	Planmeca Patrol™ 10
Water connection inlet	3/8"	3/8"
Water connection outlet	3/8"	3/8"
Connection height (B) in mm	421	448
Filter Cartridge (D) – Ø in mm	130	147
Weight in kg (dry / wet)	2.4 / 4.2	3.9 / 5.6
Volume flow max. in l/h	100	100
Order number for filter cartridge	125590884	125590885

SETTINGS AND CAPACITIES/L¹

Conductivity of demineralized water	Planmeca Patrol™ 5	Planmeca Patrol™ 10
<5qS/CM	160 l	360 l

1. capacities may vary up to ±5% depending on the inlet local water quality to Planmeca Patrol™ 5 & 10 and volume flow, at a raw water conductance of 500 µS/cm. DIN 285. DIN EN 13060. Subject to change.

Connection:
3/8" x 3/8"

Vertical installation

OPERATING CONDITIONS

Input pressure: 2–8 bar
 Water temperature: 4–30 °C
 Ambient temperature: 4–40 °C

ACCESSORIES

Product	Connection	Order number
1. Planmeca Filterhead™	Planmeca Filterhead with 2 connectors 90° elbow, FLEX insert, M3/8" made from GFP	428124201
2. Planmeca Patrol™ Push inn 6 mm	2 x Push Inn 6 mm	428124300
3. Planmeca Patrol™ Push inn 8 mm	2 x Push Inn 8 mm	428124290
4. Planmeca Patrol™ blindcap	Universal	428121980
5. Planmeca Patrol™ silicone tube	FLEX insert x 1/2" 1500 mm	658124420
