Pictogram Logix Overlays

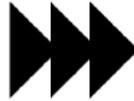

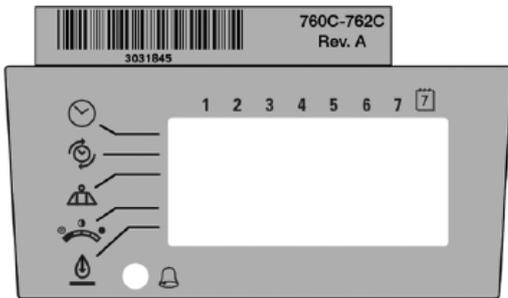

Product Update

As of 1st June 2009, the Autotrol LOGIX product family will be now featuring Pictograms on the Controller faceplate.

The new artwork will be present on every overlay as you order a Logix controller (740/760, 742/762, 764) or a complete valve (255, Performa, Performa CV, Magnum).

Please refer below to the corresponding cross-reference table highlighting the detailed modifications.

Best Regards,
